Our PTSA has again generously purchased a yearly subscription to Brain Pop, Brain Pop Jr. and Brain Pop Español. We want to make this subscription available to our students during school hours and up to 5:30.

The website offers short child-friendly movie clips in different subject areas such as math, science, social studies, reading, health and others. In addition, students can check out how much they learn from these movies by taking short online quizzes, playing games and doing other activities offered within the website. BrainPOP is appropriate for children in the 4th, 5th and 6th grades. BrainPOP Jr. is targeted for students in K, 1st, 2nd and 3rd grades.

This is a great learning tool to keep children reading and learning. Your child may access BrainPop or BrainPop Jr. or BrainPOP Español from your home computer during the hours of 8:00 AM to 5:30 PM.

FAMILY PORTRAITS

The time has come again to get dressed up and take those family portraits. Your PTA has done it again and acquired the photographer to check this off your "TO DO LIST" for the holidays. Diane Krueger Photography has agreed to come to our school again and offer you a holiday package you cannot refuse. Family photos will be from 3:20 pm - 7:20 pm in the school gym on November 5th. There is a **\$20.00** deposit required to hold your slot. The \$20.00 deposit is not a sitting fee, it goes towards the price of your package purchase when you arrive at your appointment. Once I receive your request I will email you with your slot information. I will try to accommodate your request the best I can. It is first come first serve. Just drop your slip with a check at the front desk in the PTA box or return it with your child. Any questions please call the school at 09841-834731 or DSN 467-4631. Retakes/Make-ups are also offered this day as walk-in from 1:00-2:20 pm.

Nurse's Corner

Within the next couple of weeks your child may be receiving a letter in regards to immunizations that he/she may need for this school year. These immunizations are required to attend DoDEA schools. After your child receives his/her immunization, please bring a copy of your child's updated immunization record to the school nurse. Any questions, please contact the school at 09841-834731 or DSN 467-4631.
